When planning travel, please assume that the IAB meeting will not end before 3 pm on Thursday, October 16, 2025.

Check in: 3:00 pm, Check out: 12:00 noon. Parking is \$30 for covered self park.

TUESDAY, October 14th DINNER with GROUP (paid individually)

Tuesday evening dinner (paid individually) will take place at the historic **Rams Head Tavern, 33 West St. Annapolis, MD**, at 6 PM (Eastern).

Please indicate attendance on the [meeting form](#) so we can reserve a seat to join the group. Walking distance is about 8 min and a 2 min Uber ride.

AIR/GROUND TRANSPORTATION

Those not driving should fly to BWI International Airport and take an Uber or Lyft. The hotel is a 33 minute drive from the airport. Uber estimate cost is approximately \$45 for a car that carries 4 people.

From Uber....Why are prices higher than normal? Dynamic pricing takes effect when a lot of people in the same area are requesting rides at the same time. This means that rides will

be more expensive. Adjusting the price attracts more drivers to an area so everyone can get a ride. In-app messaging noting higher than normal pricing will help you know when dynamic pricing is in effect. You can wait a few minutes while more drivers get on the road, or you can pay a little extra to get a car right when you need it.
